

MILITARY EXEMPTION

The Soldiers and Sailors Civil Relief Act of 1940 and Executive Order 9-88 (W.Va. Code § 11-5-1) allows a taxpayer, who is an active duty member of any branch of the United States Military Service, to receive tax-exempt status on personal property owned during any current assessment period.

There are certain criteria that, if met, will determine if a tax-payer qualifies for the exemption. It is the policy of the Morgan County Assessor's Office to verify military enlistment by presenting a current copy of the taxpayer's deployment orders. These deployment orders should be dated as close to the assessment period as possible. If the taxpayer's available orders reflect an extended time of enlistment, the dates on the orders should be made plainly visible and explained by the taxpayer.

The personal property **return must be submitted every year.** If the return is **not received** along with deployment orders the **exempt will not be granted.** If a taxpayer's assessment is returned to the Assessor's Office in the mail, **a legible copy of the current deployment orders must be enclosed with the assessment form.**

The Assessor's office keeps these documents on file and is treated with **confidentiality.**

The assessment period begins on July 1st and ends October 1st of the same year.

Example: When renewing your vehicle registration, **May 1, 2019 thru April 30, 2020 DMV requires a 2018 Personal Property receipt.** You must have been Active Military **July 1, 2017 and** filed a personal property return between **July 1, and October 1, 2017.**
