Dear Business Owner,

I have prepared this pamphlet to assist you in completing your business personal property return.

As a business owner in West Virginia, your business is subject to ad valorem taxes. You are required under West Virginia law to complete Form STC 12:32C "Commercial Business Property Return" and return to this office on or before **September 2, 2025**. State law allows the Assessor to prepare estimate returns for those businesses that do not respond on time. Those who file late, or who fail to file, will have their taxes based on estimated values and forfeit the right to challenge erroneous or over-estimated values. In addition, West Virginia State Code §11-3-10 directs the Assessor to impose a fine of \$25-\$100 for non-filers and late filers. It is important to note that State law mandates these regulations.

As your Assessor, my number one priority is to serve the citizens of Morgan County as fairly and honestly as possible. Your comments are always welcomed and appreciated.

If you need further assistance, please feel free to stop by or call my office. My staff and I will be more than happy to assist you in a courteous and helpful manner.

Sincerely,
Debbie A. Weaver
Morgan County Assessor
