EXEMPTIONS**

Dear Morgan County Taxpayers:

It is that time of year again when every West Virginia resident is required by WV Code §11-3-10 to file an assessment listing all property owned as of July 1.

This pamphlet was prepared to assist you in properly filing the assessment form. In most cases it will take you five minutes to complete. Do it today and mail it back. Failure to mail your personal property assessment form will cause you the inconvenience of coming into the office, having a property tax bill created, being charged interest and a **\$25 - \$100 penalty** on your taxes.

My number one priority is you, the taxpayer. I have an open-door policy and your comments are always welcomed and appreciated. I am here to serve the citizens of Morgan County as fairly and honestly as possible.

If you need further assistance, feel free to stop by or call the office. I or my staff will be more than happy to assist you in a courteous and helpful manner.

Sincerely,  
Debbie A. Weaver  
Morgan County Assessor

If quantity has changed, or to make any corrections, strike thru the entry and write the correct information. Enter any additional personal property not shown on this form.
